IMPERIAL SQUARE

6 Senchi Street, Airport Residential Area, Accra

Imperial Square is a modern, private office development. It's comprised of two timeless, fused 2-storey blocks which incorporate thoughtfully planned and laid out work spaces, meeting rooms and traffic areas. Its large glass areas ensure a feeling of lightness in and out of the entire building. With 900sqm of usable office space and ample outdoor parking space, Imperial Square sets a new and remarkably high frontier for planned, contemporary, private office developments.

It is located in Airport Residential Area and within five minutes of Accra's airport, the Airport City commercial enclave and is managed by tested management and maintenance teams.

Imperial Square is a superbly executed, breathtaking and successful fusion of aesthetics and function.
